

WEST ALMANOR COMMUNITY CLUB CO-OP PROPANE CONTRACT

The West Almanor Community Club Board of Directors has selected Ferrell Gas to be the provider for the propane co-op for the next five (5) years. **Membership in the co-op is voluntary.**

Terms of the Contract:

- 1.) Price of propane will be \$0.59 over the Martinez, CA posted price on the day that tank is filled. (You may contact the WACC office for the current price if you wish.)
- 2.) Annual tank rental is \$45 for any size tank – the first 2 years of tank rental is free.
- 3.) There will be no Hazmat or Fuel Surcharge fees.
- 4.) Smart Fill remote monitoring systems available at \$300 installed and a \$7.00 per month fee.
- 5.) Smart Fill installation and monitoring fee will be free to the first 100 new customer tank sets.
- 6.) Tanks will be set on a first come basis at no charge; propane will be pumped from the existing tank to the new tank, also at no charge.
- 7.) Price guarantee is available to all WACC property owners and employees. Price guarantee extends to all properties of said WACC owners and employees as long as Ferrell Gas services are available in that area.
- 8.) Ferrell offers free “keep full” service, free budget billing, free safety inspections of tanks and complete gas system
- 9.) \$50.00 referral credit for non HOA customers
- 10.) Contract period is from 9/1/2016 to 9/1/2021

**Accounts may be set up by calling the Ferrell Gas office
@ 530-265-5896.**

It has been suggested that if you are currently using Amerigas/Lake Almanor Propane and you would like to change companies, to call Amerigas and tell them that you want to be on a “will call” rather than the “keep fill” program until your tank can be switched over.
